Family Update

Life is full of excitement

Beckie had to return to USA to help with her father D.R. Guynes who had an open heart operation followed by some complications with the heart valve that was replaced. Later he had to have a pace maker. We are thankful she has been there to encourage and assist in the care of her father, along with her siblings. Please continue to pray for his strength to return. He has been a great encouragement for the cause of missions around the world, especially in Africa, China, Malaysia & Israel.

Our third Grandchild Wesley, graduating from HS in Redding, CA.

African Update

Work in progress...the New Church near Voi. Roof needed-\$3000

Mtongwe Church needs \$5000 - a building & \$3,000 - a well

Working together - God will bless
His work

Pray for: People like this who are deep into witchcraft and walking a road that is leading towards torment that will last for eternity. Jesus is the only answer for people like this.

Pray for: Recently, Kenya held elections for the President, which the Supreme Court ruled invalid and has set 26th October for a new election. Today in the capital, demonstrations and roads were blocked by angry voters. Also today i was told that a worker who was repairing my car was not able to go to town because of clashes in his area of Bamburi and also on the Island of Mombasa. Pray for the Kenya elections on Oct. 26th.

We are church planters, assisting with erecting Tabernacles, drilling wells (in areas that there is either no water or no clean water), outreach ministry to unreached people groups, working with medical personnel to enable women who have no capacity to diagnose and treat breast cancer.

Pray for: Beckie as she reorganizes schedules for the Month of November for the breast cancer awareness and screening of the coastal ladies desperately needing help. Beckie is to arrive back in Kenya on Oct. 26th.

Pray for: Revival among the many unreached people groups in Kenya as we start more churches before Jesus returns.

How many FEET will we all be able to present at the feet of Jesus ?

Scripture: "How Beautiful are the feet of those who bring good News Romans 10:14-15
